The Manager,  
Community Relations,  
Total Energies EP Nigeria,  
OML58 Obagi Base.  
Sir,

## **APPLICATION FOR RENOVATION OF OBIYEBE COMMUNITY TOWN HALL**

The Community for years now has been using its community hall without ceilings and the zincs has leakages as well, the floor tiles has cracked and broken which has caused so many injuries to the elderly men who makes use of the hall.

The building is depilated and has forced the Community Men and Women to stay outside for Community Meetings because of fear that woods or broken ceilings may fall on them. And they are clamoring for the revamp of the building.

We request that Total energies Nigeria Limited, approves and give this job to our company to fix the community hall for the Good people of Obiyebe Town in ONELGA, Rivers State.

Thanks for your anticipated cooperation.

**CHRISTOPHER ADIEME NGBOROGU**  
(Managing Director)
